Nido Student Accommodation Notting Hill, London

Nido Notting Hill is a mixed use scheme on Kensal Road, Notting Hill London comprising ground floor offices, retail and student support facilities with 288 self contained studios above. The studios contain a mix of single & double occupancy rooms. This prominent site adjacent to the canal was considered important in the context of the surrounding historic development by the Borough Council. The proposal draws heavily on the adjacent context and warehouse architecture to deliver contemporary & striking building without resorting to mimicry and pastiche.
